

VETERANS COMMITTEE

THE INTERNATIONAL BROTHERHOOD
OF ELECTRICAL WORKERS

grants this

Certificate of Recognition

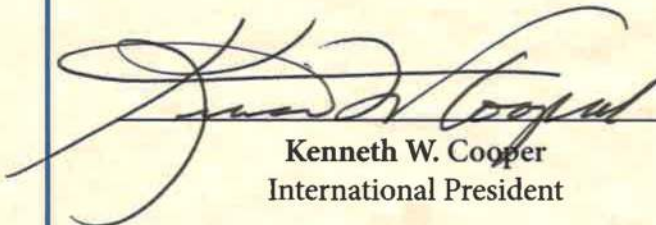

to the Veterans Committee of
Local Union 230

issued on

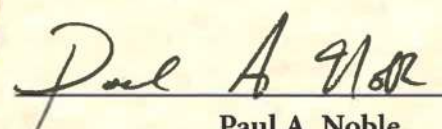

November 15, 2024

This committee is hereby recognized and established to encourage IBEW members who are military veterans to take active roles in the IBEW and their local unions, to foster a greater understanding of veterans' issues, and to promote the hiring of veterans within the electrical industry.

The Veterans Committee can provide the means for educational and social activities to strengthen the connections between military veteran IBEW members, encourage committee members to be more fully informed about economic and political issues that affect them, and foster their relationships with established union members and local union leadership.
